

**STAFFORD
SYSTEMS INC.**

"Putting The Pieces Together"

EXCEPTIONAL CONSTRUCTION SERVICES

Established in 1983, Stafford Systems, Inc. in Manassas Park, VA is a drywall, metal framing, EIFS, acoustical ceiling, rough & finished carpentry, flooring, and painting contractor.

We are licensed and insured and bonded in Virginia, Maryland, Washington, D.C., Delaware and West Virginia. **Stafford Systems, Inc.** partners with general contractors and owners to offer quality building services right on time. We are committed to continuous improvement through innovation, excellent customer service and a safe working environment.

WHY CHOOSE US?

Stafford Systems, Inc. has a reputation for hiring experienced and knowledgeable employees who deliver excellent results. Our experienced project management team and estimating team work closely with our clients to make sure all of our projects stay on schedule. We will go the extra mile and re-engineer certain aspects of the projects to meet economic challenges we all face in today's construction industry.

01

VISION

Consistently perform at levels that make our clients want to select us for their future construction endeavours.

02

MISSION

To be *the* trusted construction team for government & military, schools & communities, retail spaces, healthcare, and other mission-critical facilities.

03

VALUE

The combination of highly skilled employees, a strong management team and a reputation for delivering superior work at a fair price.
